

2017 Big Table Farm Willamette Valley Pinot Noir

2509 cases produced

unfined and unfiltered

label – Henrietta and Reina of big table farm

release date March 4, 2019

This wine is a true representation of the northern Willamette valley as all 8 pinot sites I work with end up in this bottling, from south of Salem to north Yamhill County. It would be arrogant of me to think I could predict which fruit will turn into the best wine so I treat all with equal diligence. I think this approach makes this bottling different but on par with our vineyard designates – it is more affordable because we make a lot more of it, but it gets the same care and handling as the rest of the wines. It has most everything a wine should have, fruit, acid, tannin, sweetness all in harmony and balance. When delicious is the first word that comes to mind, I smile, bow my head and say thank you and know that I have done my job well.

Tasting notes- This wine has a beautiful balance of raspberry fruit profile with warm spice, black tea and a delicate cocoa. The fruit on the palate is juicy but if you lean in there is a quiet brooding character to this wine that still has a lot yet to give. The Acid holds the fruit in check and the tannins keep the gentle momentum into a long finish. In a word, 'delicious'.

big table farm is the collaborative effort of Brian Marcy and Clare Carver
- we are a winemaker and an artist, we grow and produce what we love to eat and drink -

In 2006 we moved to Oregon from Napa, where Brian had been making wine for ten years. We started with a dream and made our first 150 cases in 2006.

Our Farm

We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce seasonal vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.
