label-a vine in the rocks

release date: March 2, 2021

This is our third vintage working with fruit from Rich Funk's vineyard in the Rocks District of Milton Freewater and 2019 and 2020 are in barrel. We are so pleased to have a little bit of this special place in our cellar. Like PSV, Rich has his own winery called Saviah and he farms his vineyards with the highest quality in mind for his wines and for what he sells us. The 2018 version is opulent and delicious with gorgeous dark fruit, savory notes of green olive and of course black pepper that tells you it is indeed Syrah. We just make a little bit of this wine, so if you want some be quick!

tasting notes - Deep, rich and sultry. The Funk Estate Vineyard highlights everything we love about wines from The Rocks District. Dried plums, baked marionberry pie, peppered-beef jerky and black olives all sing in concert. A bushel basket of dried, mixed, dark berries reveals itself from underneath a dense thicket of wild vines and mossy stones. Spicy, savory, musky and complex - this syrah dares you to pair it with campfire meats and charred veggies.

## **Our Farm**

We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce seasonable vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.
