

2019 Big Table Farm Syrah – Funk Estate Vineyard The Rocks District, Milton-Freewater

147 cases
unfined and unfiltered
label-a vine in the rocks
release date: March 1, 2022

Still from the Rocks District of Milton-Freewater in eastern Oregon, we really enjoy having this wine in our cellar and working with Rich Funk of Saviah in Walla Walla. I enjoy the trip to pick up the fruit, even though it is a quick one. Dark fruit, black olive, soft and supple – I open and enjoy over 3-4 nights. I hope you will too!

Tasting notes - Highlighting everything we love about wines from The Rocks District this wine is full of dark fruit and spice. Dried plums, baked marionberry pie, peppered-beef jerky and black olives all sing in concert. A bushel basket of dried, mixed, dark berries and balances with spice and savory character.

Big Table Farm is the collaborative effort of Brian Marcy and Clare Carver

– we are a winemaker and an artist, we grow and produce what we love to eat and drink –

Our Farm

We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce seasonable vegetables. If you visit us, you’ll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.

Our Labels

The art on our labels is drawn by Clare and is unique to each vintage. The labels themselves are made by hand using a letterpress and thick printmaking paper. After each label is applied by hand we carefully wrap each bottle in tissue to preserve the letterpress paper's texture and beauty. There is a product code on the bottom of each bottle so you don't have to unwrap them to identify the wines.
