

# 2020 Big Table Farm Wild Bee Chardonnay

1250 cases produced  
unfined and unfiltered  
label – charcoal drawing of a ‘wild’ bee by April  
Coppini  
release date: March 1, 2022

2020 Wild Bee Chardonnay – the white wines were relatively unaffected by the challenges of 2020 and winemaking proceeded as normal. We still chose to forgo barrel selections to ensure the wine we bottled was our best it could be. Malolactic complete, a touch of new oak and yes – also bottled without filtration.

## Tasting notes -

Truffled popcorn leaps from a glass of this refreshing, unfiltered gem. Warm vanilla and lavender-chamomile notes follow, along with kisses of caramel and butterscotch. Yuzu zest and freshly-cut papaya add an energetic lift while expressions of ground hazelnut and raw honey provide texture and weight. A rustic chardonnay perfect for any weather, rain or shine.

big table farm is the collaborative effort of Brian Marcy and Clare Carver  
- we are a winemaker and an artist, we grow and produce what we love to eat and drink –

In 2006 we moved to Oregon from Napa, where Brian had been making wine for ten years. We started with a dream and made our first 150 cases in 2006.

## Our Farm

We own and manage 70 acres in the Northern Willamette Valley, where we raise animals and produce seasonal vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.
