

2018 Big Table Farm Pinot Gris

133 cases produced

unfined and unfiltered

label – Thimbleberry and Fescue

release date: September 2, 2019

This is our second year working with fruit grown by Brian O'Donnell of Belle Ponte. We were super happy with the 2017 and are equally delighted with the 2018. Fermented on the skins per usual, with just the right amount of tannins and acid and sweet fruit. I can't wait to have this wine with a seafood meal, oysters on the half shell and Dungeness crab immediately come to mind! Bottled without fining or filtration, just like all the other wines I make.

tasting notes - Inviting aromas of roasted peaches and warm spices leap out of this copper hued Pinot gris. A satin texture on the palate carries flavors of apricots and dried orange peel. Spices warm the finish balanced by just enough acid to frame the wine.

92 pts – Vinous

big table farm is the collaborative effort of Brian Marcy and Clare Carver
- we are a winemaker and an artist, we grow and produce what we love to eat and drink -

In 2006 we moved to Oregon from Napa, where Brian had been making wine for ten years. We started with a dream and made our first 150 cases in 2006.

Our Farm

We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce seasonal vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.

Our Labels

The art on our labels is drawn by Clare and is unique to each vintage. The labels themselves are made by hand using a letterpress and thick printmaking paper. After each label is applied by hand we carefully wrap each bottle in tissue to preserve the letterpress paper's texture and beauty. There is a product code on the bottom of each bottle so you don't have to unwrap them to identify the wines.
