

# 2018 Big Table Farm Earth Pinot Noir

Willamette Valley AVA

106 cases produced

unfined and unfiltered

label: Clare's inspiration to complement Brian's

release date April 7, 2020

As in years past the Elusive Queen and Earth represent less than 5% of our production but hopefully capture all of the best magic possible from the vintage. Brian does the heavy lifting of tasting all the barrels and narrowing them down to the very best few, then I help him select the final barrels that end up in Earth and the Elusive Queen. They are our highest expression of the vintage and represent our taste, and our very best wine!

tasting notes-

The 2018 Earth is a bold expression of the vintage. Right out of the gate it's dark color prepares you for the rich wild cherry, plum and stewed fruit profile. All this dark fruit is balanced by complex acidity, toasted spice and orange peel. As it unfolds you get tons of deep spicy flavors that will reward you for cellaring. With nice bright acid and present tannins this wine shows great promise for beautifully aging in bottle. The concentrated and structured nature of this wine will make it rewarding on day two as well.

big table farm is the collaborative effort of Brian Marcy and Clare Carver  
- we are a winemaker and an artist, we grow and produce what we love to eat and drink -

In 2006 we moved to Oregon from Napa, where Brian had been making wine for ten years. We started with a dream and made our first 150 cases in 2006.

## Our Farm

We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce seasonal vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.
