

2018 Cattrall Brothers Pinot Noir

134 cases produced
unfined and unfiltered
release date: August 24 2020
label- '46 Ford cabover flatbed

This is the highest elevation Pinot noir we work with and it shows, it achieves ripeness without accumulating too much sugar and the cooling of the breeze from the Van Duzer corridor that hits it every evening helps maintain its acidity. The 2018 version is no exception and is delicious while only clocking in at 12.8% alcohol. The acidity and tannin demand food, especially as youngster. Tom and Bill have the coolest truck that they use to deliver their carefully tended grapes that Clare loves to draw for the label.

tasting notes: Comforting and playful like a home-baked cranberry bliss bar. High-toned and bright, showing hints of fresh muddled blackberry and sage alongside a smoked black cherry compote. All while wrapped in a funky, thin veil of early-morning forest hiking trail. The finish is a beautiful dance between intertwined wild, rustic earthy notes and the light touch of savory dried fruit spices.

Big Table Farm is the collaborative effort of Brian Marcy and Clare Carver

-- we are a winemaker and an artist, we grow and produce what we love to eat and drink –

Our Farm

We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce seasonable vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and moves us towards a healthy, sustainable and diverse farm.

Our Labels

The art on our labels is drawn by Clare and is unique to each vintage. The labels themselves are made by hand using a letterpress and thick printmaking paper. After each label is applied by hand we carefully wrap each bottle in tissue to preserve the letterpress paper's texture and beauty. There is a product code on the bottom of each bottle so you don't have to unwrap them to identify the wines.
