

2021 Eola-Amity Hills Chardonnay

92 cases produced
unfined and unfiltered
release date: August 28, 2023
label: Clare's honeybee

The longer I work with Willamette valley chardonnay the more I am impressed with what comes from the Eola-Amity hills- warm days, cool nights and newer plantings with clones suited to the conditions consistently produce delicious wines of unctuousness and yet still crisp. Some new oak is used but not too much – balance is the key – and hopefully what is balanced for me works for you too!

tasting notes – Brilliant and lifted – you cannot help but notice the energy effusing from the glass. The nuanced aromatics are just a sneak peek of what is to come with the first sip. Lemon curd and white peach lead your palate on a journey through honeysuckle vines and apricot orchards. Rounded, yet vibrant, this wine suits all occasions from harvest parties to a seafood boil.

Our Farm

Since our founding in 2006, we have taken thousands of small intentional steps to built our winery, farm and vineyard as a regenerative system balancing the solar, water, soil, animals and vines. The creatures on our farm include free-range hens, pasture-raised pigs, goats, sheep, draft horses, honey bees and grass-fed cows.
