

2021 Yamhill Carlton Chardonnay

92 cases produced
unfined and unfiltered
release date: August 28, 2023
label: blossoms from BTF

I often say pinot from Yamhill Carlton has a core of power and strength that the fruit and tannin revolve around – I would say similar for the chardonnay – ripeness and richness work with the fruit, oak and yes, a little bit of tannin that will make your mouth want more, and a bite to go with it!

Childhood memories of white and yellow gummy bears ignite a playful approachability to a wine with deep complexity. Hints of jasmine pearls, red anjou pears, and lemongrass hold your attention just long enough to allow the lingering river rock minerality to shine through. It's impossible to ignore the desire to pair this with every meal. Well-rounded, daily drinker.

Our Farm

Since our founding in 2006, we have taken thousands of small intentional steps to build our winery, farm and vineyard as a regenerative system balancing the solar, water, soil, animals and vines. The creatures on our farm include free-range hens, pasture-raised pigs, goats, sheep, draft horses, honeybees and grass-fed cows.
