The Yamhill-Carlton AVA is our home turf – and as I alluded to regarding the chardonnay – the AVA tends to make wine with a boldness and power to it – 2021 is no exception! Ripe fruit along with supple tannins, a sweet mid palate, and some oak to round it out make this a delicious wine now and for a few years to come.

tasting notes –

Inviting with a deep gravity. The airy notes of lilac, rose petal, and warm Earl Grey tea spice circle around a dense core of dried bramble berries, black cherry cola and pomegranate molasses. As time slowly passes, textures of nutty granola with spiced wildflower honey arise, complementing the dark, concentrated berry notes. Each sip invokes recollections of freshly-baked blackberry oatmeal bars. #breakfastofchampions

Big Table Farm is the collaborative effort of Brian Marcy and Clare Carver

-- we are a winemaker and an artist, we grow and produce what we love to eat and drink –

Our Farm

Since our founding in 2006, we have taken thousands of small intentional steps to built our winery, farm and vineyard as a regenerative system balancing the solar, water, soil, animals and vines. The creatures on our farm include free-range hens, pasture-raised pigs, goats, sheep, draft horses, honey bees and grass-fed cows.

Our Labels

The art on our labels is drawn by Clare and is unique to each vintage. The labels themselves are made by hand using a letterpress and thick printmaking paper. After each label is applied by hand we carefully wrap each bottle in tissue to preserve the letterpress paper's texture and beauty. There is a product code on the bottom of each bottle so you don't have to unwrap them to identify the wines.
